IS YOUR CLIENT LOOKING FOR THE PERFECT FAMILY HOLIDAY?

At Carnival we aren't just family-friendly, we're family-focussed!

- Award-winning kid's club with age-appropriate activities and educational programs for ages 2-17. Plus, we don't require kids to be toilet-trained
- Our new Turtles program for 6 month-2 year olds. Parents can stay and play or drop off their child during select hours for a small fee
- Our Seuss at Sea program includes the Seuss-A-Palooza parade, storytime and whimsical Green Eggs and Ham Breakfast
- The only Build-A-Bear Workshop at sea!
- We're 'Sensory Certified', in partnership with KultureCity. Guests can check out complimentary Sensory packs for the duration of their cruise, and all crew are trained to assist those with sensory issues
- Carnival are proud to support both the Sydney Children's Hospital and Queensland Children's Hospital through our Conga for Kids fundraising program onboard

OUR TOP SALES TIPS

- **Australian Dollars** – No need to do the math on holiday, everything on board is in AUD! Plus, gratuities are included so there's no risk of bill-shock
- **Pre-Book Before Sailing** – Guests can now pre-book shore excursions, wifi and drinks packages before they sail (plus, there's often a discount if they book beforehand rather than onboard – cheers to that!)
- **Keep An Eye on Deals** – Make sure to check any VIFP deals your guests might be eligible for before they book
- **Don't Forget Those Upgrades!** – If your client is looking at an Interior room, why not suggest an Ocean View or Balcony instead? Or, if they normally book a Balcony, try suggesting a Cloud 9 Spa Balcony which includes access to the Cloud 9 Hydrotherapy pool, sauna, steam room and more
- **Theme Nights Done Right** – No one does FUN quite like Carnival, especially when it comes to theme nights. Make sure your clients know to pack their 80s gear for the Mega Deck Party!
