Please note:

- For 50%, 75% and 100% penalties, we penalise the Total Fare. Total Fare is the total amount payable to us for the booking.
- Promotional Fares may have different cancellation and refund conditions. Please ensure you check these at time of booking.
- For full 100% penalties, Taxes, Fees and Port Expenses will be refunded.
- If the booking is made with a reduced deposit and the booking cancels in penalty period, the penalty amount defaults to the standard deposit.
- Certain Fares have non-refundable deposits. Please ensure you check these at time of booking.
- If the 50% or 75% penalty is less than the standard deposit amount, the penalty amount defaults to the standard deposit.
- If the 3/4/5th guest cruise fare is less than the penalty amount, we will retain the cruise fare plus the non-commissionable fare up to, but not exceeding the net penalty amount.
